INTRODUCTION
AND
GENERAL INDEX

HILL DIRECTORY COMPANY, publishers of more than 1,400 city and suburban Directories, present to subscribers and the general public, this, the latest edition of the Greensboro City Directory.

Confidence in the growth of Greensboro's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Greensboro to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional people and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Greensboro City Directory will fulfill its mission as a source of authentic information pertaining to the city.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the city, arranged in alphabetical order under appropriate headings--a catalog of all the activities of the city. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified city like Greensboro, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This Directory aims to show the name, marital status, occupation and address of each adult resident of Greensboro, and the name, official personnel, nature and address of each firm and corporation in the city.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, is the third major department, printed on green paper. In this section, the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes, the listing of telephone numbers, new householder symbols and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

Municipal Publicity

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site, and as an educational center. The publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Greensboro.

The Greensboro Out-Of-Town City Directory Library

public. This is one of many Directory Libraries installed in cities and towns throughout the United States and Canada through the courtesy of your publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional people who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

The eighteen-million-dollar structure houses both court and administrative offices, and offers nearly 250,000 square feet of working space. Located at 200 North Green Street, the Courthouse is part of the City-County Governmental Center, which serves to exemplify the excellent working relationship between the governments of the two jurisdictions.

GOVERNMENT

Greensboro uses the City Manager form of government. The City Council is composed of an elected mayor and six councilmen who are elected from the city at large.

Good management of the city is reflected in nationally-recognized superiority in reduction of fire losses and low insurance rates, salability of municipal bonds, efficient police protection, well-paved streets and modern sewage and sanitation facilities. These and other evidences of good government have given Greensboro an atmosphere of enterprise and well-being.

Administering the affairs of Guilford County is a commission of five members elected at large. With its county manager, it is generally regarded as one of the best managed counties in the State, and is frequently pointed out as a model by the North Carolina Institute of Government.

A new governmental center for the city of Greensboro and Guilford County has been completed.

County Government

Financing public school facilities and administering health and welfare programs are perhaps the most widely known examples of county government at work. But there's much more to the total operation in Guilford County.

The county government is additionally charged with the protection of people and property. This involves law enforcement and court operation, fire protection, property inspections, zoning and subdivision regulations.

Guilford County government also provides or contributes to the support of many additional services to its people. There are state programs to promote the development of agriculture, industrial development. Regional Airport, services to veterans, and a contribution to the operating budgets of Greensboro and High Point public libraries.

Guilford County has over 100 modern, consolidated public schools with an enrollment of over 67,000. This includes Greensboro's 47 public schools including 4 senior high, 7 junior high, 30 elementary, 2 alternative schools, the optional school for juniors and seniors, the Career Education Center for senior high students and 2 special schools for children with learning disabilities. There are 27,500 pupils in the Greensboro public schools. There are 9 private schools operated in the city.

In its early years, Greensboro became the home of several colleges and universities and is now one of the educational centers of the Southeast. This, of course, has contributed much to cultural growth so that the city is a well-rounded, progressive community.

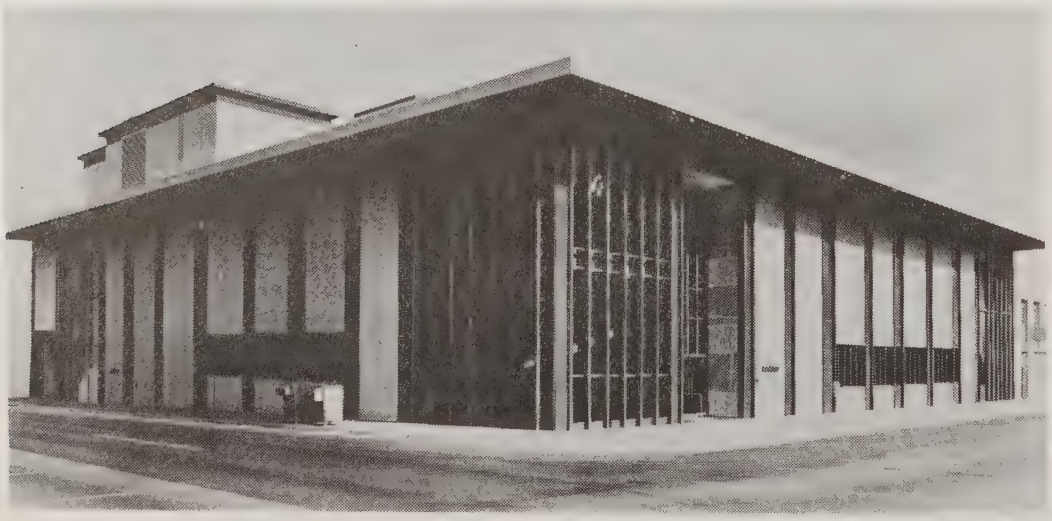
BENNETT COLLEGE—Bennett College was founded in 1873 as a woman's college. Liberal arts courses and Bachelor Degrees are offered. Several special programs are available within the academic programs: Co-operative Education (work-Study) and Interdisciplinary Studies Program. There are 650 students. Dr. Isaac H. Miller, Jr. is President.

GREENSBORO COLLEGE—(Methodist) Greensboro College was founded in 1838. It is a small liberal arts college serving about 600 students. The college provides four degrees: Bachelor of Arts, Science, Music and Music Education. The president is Dr. Howard Wilkinson.



GUILFORD COLLEGE—(Quaker) Guilford College was the nation's second co-educational college founded in 1837. There are 1,700 students. Guilford is an accredited liberal arts college. The Urban Center, located on the campus, serves students most of whom are part-time and most of whom are mature adults. Offerings scheduled during the daytime and evening hours include Management, Behavioral Sciences for Law Enforcement Personnel, Applied Mathmatics in Computer Sciences, and Business Education.

GUILFORD TECHNICAL INSTITUTE—This is a co-educational technical institution with 3,500 students. It is authorized to grant the Associate Science Degree upon completion of 2 years of technical programs of study, and diplomas upon completion of 1 year of vocational study. In addition, courses are available for college credit in adult education and high school completion programs. Both day and evening classes are conducted. Dr. N. Jerry Owens is the Executive Vice President.

NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY—A & T University was founded in 1891. It is a state-supported university with 5,500 predominantly black students. Its academic program includes seven schools: agriculture, arts and sciences, education, nursing, engineering, business, and graduate. Bachelors and Masters Degrees are offered. Much of A & T's recent growth has been in the areas of research and development. Courses are available on a day or evening basis. Dr. Lewis C. Dowdy is Chancellor.

UNIVERSITY OF NORTH CAROLINA AT GREENSBORO—UNC-G, founded in 1891, has evolved from a woman's college into a co-educational university of more than 9,700 students. It is a state-supported university offering music, art, drama, home economics, physical education, business economics, and education. Ranking high among the liberal arts colleges in America, UNC-G also offers an evening MBA Program and has numerous opportunities for those interested in continuing education. Greensboro Public Library

PUBLIC LIBRARIES

The main library in downtown Greensboro and four branch libraries house almost half a million volumes. Including the college libraries, number of books in libraries exceeds 1,500,000.

The public library plays an important role in the community by supplementing the resources of the schools and providing the tools for continuing education for those who have completed school.

Library service is available to all citizens of Guilford County through the public library systems of Greensboro and High Point. Guilford County contributes funds to help meet operating expenses of both library systems.

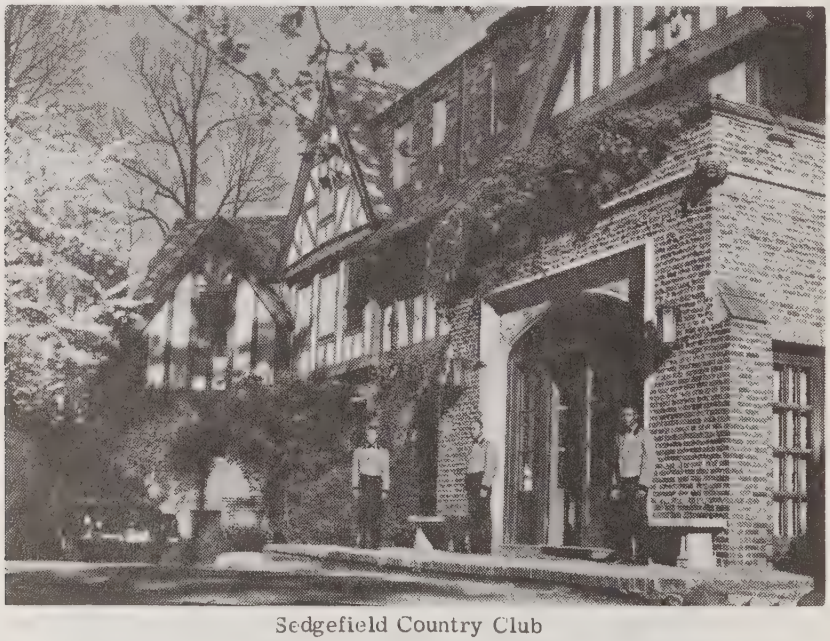
"Greater Greensboro Open" Golf Tournament



RECRFATION

Greensboro is a sports-minded community with golf as the leading spectator and participant activity. Some 20 public and private courses offer challenge to the weekend golfer as well as the touring professional. Since 1938, the Jaycees have sponsored and promoted the Greater Greensboro Open Golf Tournament, a $240,000 PGA-sanctioned tour event.

Greensboro offers professional ice hockey and football. The North Carolina Coaching Clinic and the State's High School Basketball and Football All Star Games are held annually in the Gate City. The North Carolina Closed Tennis Tournament has been held in Greensboro each summer for the past 40 years. The ACC basketball tournament, the CIAA, and the annual "Big Four" tipoffs are held in the city's 16,500-seat Coliseum. The NAIA Indoor Track and Field Championships were held here in 1975.

Nearby facilities are available for fishing, boating, swimming, hunting of duck, quail, fox and deer, and skeet and trap shooting. The 5 country clubs have handsome clubhouses where many social gatherings are held: riding, fox hunting, musical programs, dancing, bridge, tennis, skeet, swimming and others.

The schools and colleges schedule continuous series of recreational and educational entertainment and athletic events throughout the school year; over 500 clubs aid specifically in many recreational undertakings. There are 100 parks with a full-time recreational staff employed to promote activity throughout the year.

Sedgefield Country Club

Few sections offer greater opportunity for year-round living out-of-doors, or more varied recreational advantages. Pinehurst and Roaring Gap resorts are within two hours' drive, and the city lies between the mountain and seashore resorts.

The Greensboro Historical Association operates a city museum with a special section devoted to native William Sydney Porter. The city Recreation Department and the Junior League operate a junior museum. The U. S. Park service maintains Guilford Battleground National Park.

Among the commercial amusements available, there are 14 motion picture theatres, 4 drive-ins, and 1 dinner theatre which offers gourmet buffets and live plays by professional actors. Also located in the city are 3 riding academies, 2 bowling alleys, 2 ice skating rinks and 2 roller skating rinks.

The Greensboro Coliseum Complex expansion was completed in 1971. Facilities include an auditorium seating 2,500, an arena with a capacity of 16,800, as well as other meeting and exhibition areas, with provisions for closed circuit television. Regular music and lecture series bring outstanding attractions to Greensboro, such as concert artists, symphony orchestra, plays, authors and other lecturers—now augmented by circuses and New York Theatricals. The colleges serve as an outlet for amateur theatricals.

The Greensboro Arts Council Inc., organized in 1958, carries out a city-wide cultural program in both the performing arts and graphic arts.

HOTELS-MOTELS-RESTAURANTS

Thirty-nine motels are located in Greensboro which have a capacity of 4,500 rooms. Several new facilities provide banquet and conference rooms. Two additional motels are planned/under construction. Over 200 restaurants operate in the city.

POINTS OF HISTORIC INTEREST

Guilford Courthouse National Military Park is located on the site of the Battle of Guilford Courthouse. Here, General Greene fought one of the final and significant battles of the Revolution in North Carolina, and the losses Cornwallis suffered contributed in large parts to his surrender at Yorktown several months later. Maintained as a national park, the site has an historical museum and many monuments, including General Greene, Winston, Caldwell, and the famous "giant", Peter Francisco.

O. Henry, one of the most famous writers of this country, was born in Greensboro. A bronze tablet on the Masonic Temple identifies his birthplace. O. Henry exhibits are to be found in the Greensboro Historical Museum.

Dolley Madison's Well—This site, identified by a marker near Guilford College, marks the birthplace of the wife of the fourth U. S. president.

The home and famous classical school of Dr. David Caldwell, first pastor of Buffalo and Alamance Presbyterian Churches, Guilford County's first-citizen, minister, educator, physician and statesman, are marked by plaques on Friendly Road near their sites.

The Greensboro Historical Museum, containing many well-preserved relics from the city's past, is located on Summit Avenue.

The McNairy House was built in 1761, and serves as an example of the living quarters of early settlers to the area.

RELIGIOUS FEATURES

The church has always been a powerful and constructive force in the life of every Guilford County neighborhood. The Quaker Meeting House at New Garden (now Guilford College) was established in 1752, and Old Buffalo Presbyterian Church organized in 1756.

Today, there are over 312 churches in Greensboro, representing all leading denominations—Protestant, Catholic, Jewish. There is a broad, religious tolerance activated by progressive ministerial associations and the Council of Protestants, Catholics and Jews.

TRANSPORTATION—COMMUNICATIONS

TRANSPORTATION

Greensboro, located in almost the geographical center of North Carolina, has long been a transportation focal point that in early years contributed much to the city's present size and position.

Because of its central location, Greensboro was placed on the main railroad lines and highways. And when airline facilities were being installed around the country in the 1920's, the city was included in the first north-south mainline service. These transportation facilities and its location were among the more important factors that have made Greensboro natural as an industrial and distribution site, both wholesale and retail.

Regular daily schedules include: 4 passenger trains, 164 buses, 90 direct airline flights in and out of Greensboro, two passenger and 14 freight trains and 4 package cars.

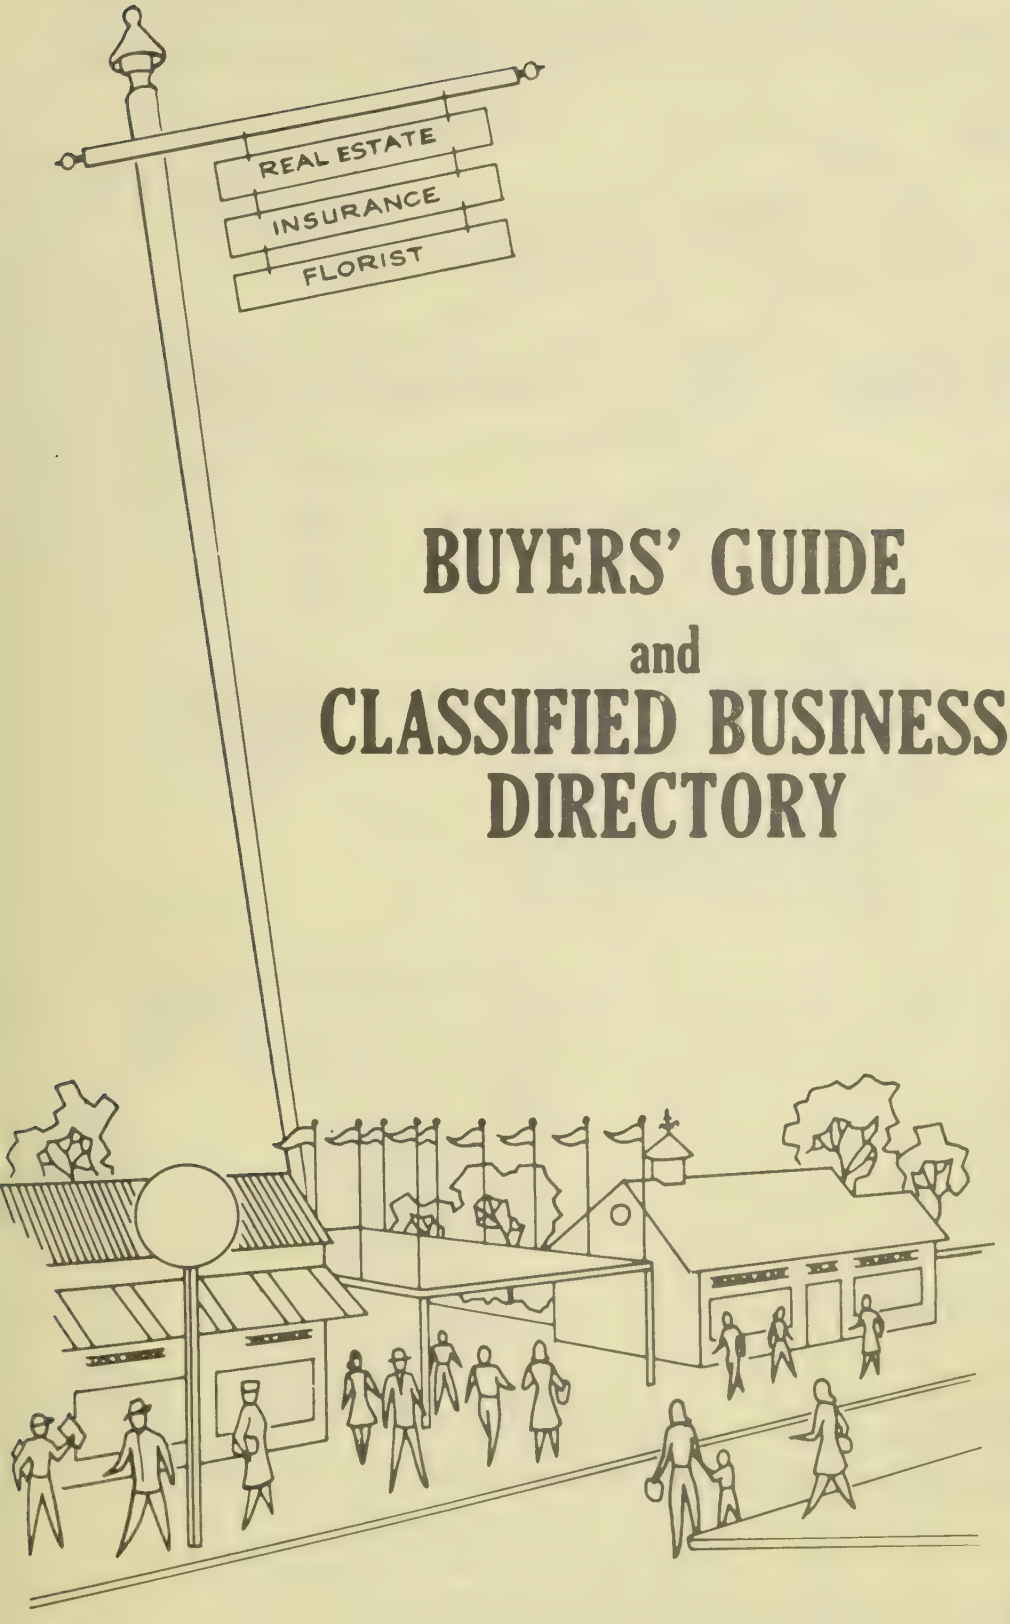
AIRPORT—The Greensboro-High Point-Winston-Salem Airport, a pioneer in the Southeast, serves the Northern Piedmont area. The airport is served by Eastern, United, Delta and Piedmont Airlines; in addition to paved runways, the airport also has a weather bureau, hangars, restaurant, freight depot and complete radio equipment. There are 90 airline flights in and out of Greensboro daily.

BUSES—Standard bus lines travel in eight directions to connect all principal cities. Southern Greyhound, Queen City Trailways, Carolina Trailways, and Safety Transit Lines operate under State regulations and clear through a union terminal.

HIGHWAYS—Interstates 40 and 85. U.S. 29, 70, 220 and 421. More than 2,500 miles of hard surfaced roads within a 50-mile radius provide easy access to Greensboro.

RAILROADS—Greensboro is the center of rail, highway and air transportation in the Northern Piedmont. It is served by the main line of Southern Railway that runs north and south, and 4 branch lines.

TRUCKS—Greensboro also has a large number of trucking companies with excellent terminal facilities. The companies operate large fleets in all directions which adds further to the city's transportation facilities. United Parcel Service also has a major terminal in Greensboro. This, and the density of population, make Greensboro more easily accessible to more people than any other city in the South Atlantic States.



COMMUNICATIONS

NEWSPAPERS—2 dailies, 3 weeklies, 1 bi-monthly.

RADIO STATIONS—WBIG, WCOG, WEAL, WGBG, WPET, WQES-FM, WQMF-FM, WRQK-FM, WGLD-FM.

TELEVISION STATIONS—WFMY-TV, WXII-TV, WGHP-TV, WUNC-TV, WAUG and WGBG.

When they say 'Hey!' they really mean 'Hi!'

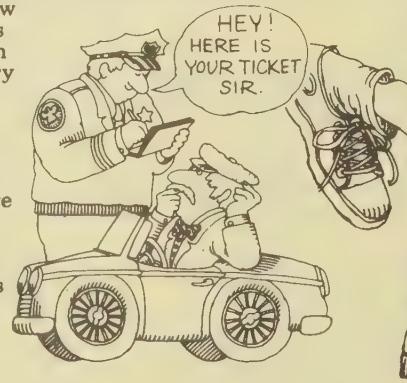
A Simplified Guide for Newly Arrived Tarheels
Compiled by A Recent Yankee who likes it Here, and Would Like You to, Too.
Presented in the Finest Traditions of Mason & Dixon by Wachovia Bank & Trust, N.A.

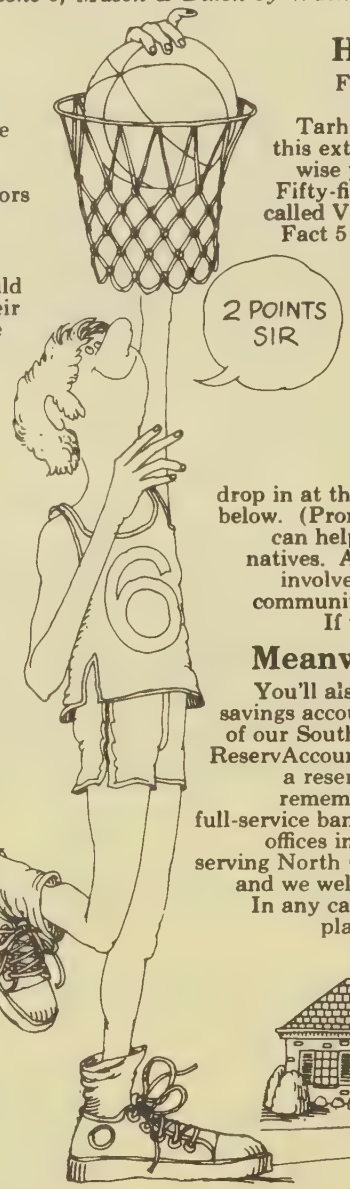
Newcomers talk differently.

The natives have no accent, but you sure do. Just remember the old "When in Rome . . . " advice, and you'll soon be able to differentiate between fountain pin and safety pin. And between one tin can, and nine or tin cans. Meanwhile, be patient when your new neighbors can't understand you at first.

You will be shocked.

Face it. It is going to happen. And you should be prepared. Small boys are going to end their sentences with "Sir" or "Ma'am," as the case may be. And the man at the gas station and the waitress and the barber are going to tell you to "Come back to see us." And mean it!





This is Carolina.

That other political subdivision is South Carolina. This is Carolina. Don't confuse the two. Especially not during basketball season.

Chili and Grits.

If you order a hot dog, period, it may arrive coated with a chili sauce. (Not to be confused with Northern Chili Sauce which is catsup with lumps.) Or it may be under a pile of Slaw. (Sort of finely diced cabbage which you shouldn't confuse with Cole Slaw because that's shredded.) In either case, try them. Or remember to order a plain hot dog. As for grits; you definitely have to try them. There are no words or outlander similes to describe grits.

Happy driving.

Fact 1: North Carolina has more paved roadway than any other state. Fact 2: Tarheels prefer a leisurely way of life. And this extends to driving. Fact 3: Unless otherwise posted, the open road limit is 55 m.p.h. Fifty-five. Fact 4: The police have this thing called VASCAR. They use it to stop speeding. Fact 5: It works. Fact 6: Upon establishing residence, you have 30 days to get a N. C. driver's license, and 30 days to get N. C. license plates for your car.

Who can you turn to?

Immigration always raises a hundred-and-seven different questions. Schools, taxes, voting, housing costs, etc., etc. To help you find the answers, we invite you to drop in at the nearest of the Wachovia offices listed below. (Pronounced "Wah-ko-vee-ah.") Wachovia can help because we're not just bankers, we're natives. And our personal and professional lines involve us in almost every aspect of your new community. So stop by, say hey, and ask away! If we don't know, we will know who does.

Meanwhile.

You'll also be needing a checking account and a savings account. And you'll want to look into some of our Southern specialties, like our unique Ready ReservAccount that combines regular checking with a reserve of cash, and our Save-O-Matic that remembers to save for you. We're the largest full-service bank in all of the Southeast with over 184 offices in 75 cities across the state. We've been serving North Carolina for just shy of a century now, and we welcome the opportunity to be your bank. In any case; we welcome you. Carolina's a good place. Enjoy it as much as we do. Hear?

Do your employers furnish you with the latest edition of the City Directory?

★

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

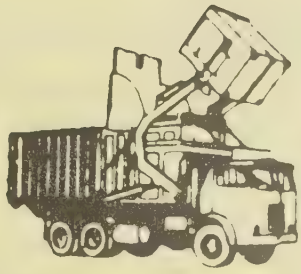
City Directory Advertisers

By having and using your own copy of the local City Directory, you can positively identify—and reach—the kind of person, business firm and family that are most likely to be in the market for the type of product or service that you sell. Through the City Directory you'll be reaching the individuals and businesses with the top purchasing power in your community . . . those who consistently buy when they want to buy, not when they have to.

By advertising in your local City Directory, you can make sure these same people can identify and locate YOU.



You join with the backbone of your community business life: you become an integral part of the permanently established, successful firms in your community when you advertise in your local City Directory. This is prestige advertising without the financial penalties normally associated with prestige advertising.

It's the most efficient use of your advertising dollar

Our 45th Year In The Same Location

Auto **Bonds**

We realize that we are Dependent for our livelihood upon the public whom we serve and that we must represent our insureds at all times.

We realize that we are Dependent upon our service to satisfy our insureds and to satisfy our companies.

We realize that we are "Dependent" upon our companies to provide the types of policies which our insureds need and also to provide capable and experienced claim, engineering and advisory service so important to any agent and to any policyholder.

We realize that just claims must be paid promptly and many years ago we chose companies willing and ready to do so. Some of these companies we have represented for over thirty-eight years. On the other hand, we have no trouble with unjust claims upon the part of our policyholders. They're just not that type!

We realize that our agency is "INDEPENDENT" only in that we represent BOTH the insured and the company.

It is our pleasure and duty to be fair and honest with both our customers and our companies. Both customers and companies approve. You are cordially invited to try our services.

Features and Departments of a City Directory

Your new, improved City Directory is the most complete and comprehensive catalog ever published of the inhabitants, business concerns and institutions of your city. It is much more than just an alphabetical list of names and addresses.

Your City Directory Contains:

1 An *Alphabetical* list of names and addresses of residents, business concerns and institutions, plus wife's name and if a widow the deceased husband's initial, and the occupations of all. Principal officers or owners and a description of businesses are included as well.

2 A *Householders' Directory* including a Street and Avenue Guide. This section lists every street and where intersecting streets appear. It lists numerically every location on each street, naming the householder or business at each number and whether the person is a homeowner or renter and if he has a telephone. Similar information is provided on office and public buildings and their occupants.

3 A *Classified Business Directory* –listing every business, classified as to type, and showing names and addresses. It also lists every profession, club, society and association, hospital and cemetery, labor organization, library, park and playground and school.

4 A *"Yellow Section" or Buyers' Guide*, where the advertiser may explain in greater detail the services or products he has to offer.

5 A *Statistical and Historical Story* of your city; plus miscellaneous other information.

Common Sense About City Directory Circulation

THE TRUE VALUE of advertising circulation is circulation consulted.

TO BE EXACT by actual survey in twenty-four average American cities by actual count each City Directory averaged three and one-half consultations for each business day.

TO BE CONSERVATIVE we will eliminate the sixty Sundays and Holidays when no tests were made.

FOR EVERY THOUSAND DIRECTORIES sold there will be an average of three and one-half consultations for each book for THREE HUNDRED and FIVE days, therefore 1000 x 3½ x 305= 1,067,500.
